

Yeshivat Hakayitz

5772/2012

Intense Torah study and fun for girls and boys entering grades 7-11

Monday through Friday at YI Sharon (approximately 9:30-3:30)

June 25-July 27

Come for one or more weeks or for the whole time!

Tuition will be discounted for those attending multiple weeks.

Need-based financial aid is available.

Yeshivat Hakayitz is a great opportunity to learn Rabbinic and Biblical texts in an informal friendly context.

Learning will be focused on reading the laws and stories of Chumash in the manner of Chazal.

A wide range of learning backgrounds and abilities will be supported.

We will also enjoy the beautiful Sharon outdoors!

From an alumna: I feel that even though summer is a time to take a break from school, it was nice to learn during the summer. I especially liked the fact that you weren't pressured by grades at all, and could learn just for the sake of learning. I also very much enjoyed playing ultimate Frisbee.
